3 YEAR Commercial Limited Warranty

- **Warranties and Limitations on Liability:**

A. Lombardini diesel engines originally sold by Lombardini USA Inc. or an authorized Distributor/ Dealer thereof and shipped from Lombardini USA Inc. stock after January 1, 1996, that are applied, installed and operated within the United States of America or Canada and application reviewed following Lombardini USA Inc. policy are covered by a limited warranty for a period of three (3) years or 3000 hours of operation- first occurrence. The three (3) year warranty period begins on the date of original/ first purchase by the end user or two (2) years from date of Lombardini USA Inc. invoice to the original equipment manufacturer or Lombardini sales outlet- first occurrence. Lombardini USA Inc. warrants their product to be free from defects in material and workmanship for the time/ hour period detailed above and the limitations presented in the following. **The three (3) year limited warranty is divided into two (2) separate stages- Stage 1 and Stage 2. Stage 1 of the three (3) year/ 3000 hour warranty ends at two (2) years or 1500 hours of operation- first occurrence. The Stage 1 warranty covers parts and labor expense related to materials or workmanship related failures.** Lombardini USA Inc. will be the sole judge of warrantability. **Stage 2 of the three (3) year/ 3000 hour limited warranty begins at 1500 hours of operation or the beginning of the third year, whichever occurs first and ends with 3000 hours of operation or three (3) years- first occurrence. During the Stage 2 period, Lombardini will cover parts expense only on materials or workmanship related failures.** Lombardini USA Inc. will be the sole judge of warrantability. **Only "Major Engine Components" are covered under the Stage 2 (1500-3000 hour/ third year) limited warranty.** A list of "Major Engine Components" covered under Stage 2 of the limited warranty is provided below. These express warranties are in lieu of and exclude all other warranties of merchantability, fitness, or otherwise, express or implied. The sole obligation of the Seller shall be to repair or replace any contract goods or parts thereof which are proved to be other than as warranted, but this obligation shall not extend to the cost of removing or replacing any of said goods from or in their installations. It is further agreed that in no event shall Seller be liable for incidental or consequential damages arising from any breach of warranty.

B. All warranties of merchantability, fitness, or otherwise, whether express or implied, shall not extend to any goods or parts thereof which have been subject to misuse or neglect, damaged by accident, rendered defective by reason of improper handling or installation or from which any seal affixed by Seller has been removed. Seller does not accept any liability for fair wear and tear, nor for charges for repairs or replacements made without authority, nor contingent liability of any kind. A further explanation of what is not covered under this limited warranty may be found below.

C. Those items not manufactured by Lombardini (Bosch, Stanadyne, Mitsubishi, Donaldson, Hobbs, etc.) are warranted according to the practices of the respective manufacturers.

- **What is NOT Covered Under this Warranty:**

Failures deemed to be due to: poor maintenance, lack of normal maintenance, improper storage, modification, mis-use, mis-application, failure to perform required scheduled maintenance, engine overheating not the result of materials or workmanship defects, water entrance into the engine, the use of anti-freeze concentrations greater than 50%, the use of any starting aid or fluid, abuse, accidents, improper handling, the use of non-Lombardini supplied / approved service parts or repairs. Further, any damage to fuel injection equipment due to water, contaminates or abrasive material ingestion, any engine damage due to the entrance of contaminates past the engine air filter, any engine damage due to the use of improper fuels, fluids or lubricants with respect to quality or prevailing ambient conditions are not covered under this warranty. Service parts including, but not limited to filters, hoses, glow plugs, belts and fluids are not covered under this warranty. Further, the removal of engine tamper seals or failure to install and maintain an operating hour meter will be grounds for warranty rejection. Lombardini USA Inc. will not accept any liability or charges thereof for repairs or replacements made without authority. This warranty does not cover engine damage resulting from the improper installation, by parties other than Lombardini USA Inc. Transportation costs, subsequent damages, profit losses, inconvenience, commercial loss, consequential damages and the rental/ lease of replacement equipment during any repair process on our products is not covered under this warranty- nor does Lombardini accept any claims of such.

- **Major Engine Components List:**

Major Engine Components include only the following components: crankcase casting, cylinder head casting, crankshaft, camshaft, connecting rod, flywheel, and crankshaft pulley. No components other than those shown in the above list will be considered for warranty purposes during the third year or 1500-3000 hours of the Stage 2 warranty.

- **YOUR Warranty Responsibilities:**

You are responsible for the performance of all required maintenance including the use of approved fluids and approved service parts as detailed in your operators/ owner's manual. Upon first indication of a problem, you are to cease operation of your Lombardini diesel engine and bring/ transport your Lombardini engine/ equipment, along with proof of purchase to an authorized Lombardini Distributor or service outlet. The name, address and telephone number of the authorized Lombardini Distributor/ service outlet in your area may be obtained by contacting Lombardini USA Inc., as shown above.
